Feel the sea breeze as you cruise along palm-lined shores. In the evening, visit Cellular Jail for the evocative Light & Sound Show that echoes India's freedom saga.

Day 2 - Into the Green Heart: Rangat Escape

Begin a scenic drive into the forested spine of Middle Andaman, reaching Rangat by afternoon. Experience Dhanni Nalah Mangrove Walkway, a tranquil path through dense mangrove forests. Later, explore Morrice Dera Beach, where black volcanic rocks meet turquoise waters in peaceful contrast.

Day 3 - Caves & Channels: Baratang Adventure

Set out early for Baratang, a region known for its natural marvels. Glide through mangrove tunnels on a motorboat and embark on a short hike to the otherworldly Limestone Caves—a geological wonder etched by time. Return to Port Blair by evening for a relaxing night.

Day 4 - Cruise to Paradise & Sunset Bliss

Board your luxury cruise to Havelock Island. Check in to your beachfront resort, then get ready for a dreamy experience at Radhanagar Beach—Asia's finest. Capture your golden-hour glow with a complimentary photoshoot session amid silky white sands and aquamarine waves.

Day 5 - Kalapathar Serenity

Wake up to Havelock's rhythm and head to Kalapathar Beach, a lesser-known gem fringed by green forest and coral-studded waters. Spend your day unwinding, swimming, or simply soaking in the stillness of your beachside resort.

Day 6 - Into the Blue: Snorkeling Day

After breakfast, ride a speedboat to Elephant Beach. Snorkel in clear, coral-rich waters with certified guides and marvel at vibrant marine life. Enjoy a relaxed afternoon with leisure time at your resort.

Day 7 - Island Shift & Sunset Show

Cruise to Neil Island, also known as Shaheed Dweep. After hotel check-in, take a scenic drive to Laxmanpur Beach. This wide, flat beach turns magical during sunset, with pastel skies reflecting off tidal pools and natural stone bridges.

Day 8 - Coral Paths & Return Journey

Visit Bharatpur Beach for optional water sports or a casual dip. Then, walk to the iconic Natural Rock Formation—a unique arch carved by wind and sea. Cruise back to Port Blair and enjoy your final night on the island.
