## **Detailed Itinerary**

### **Day 1 - Shoreline Arrival & Legacy Echoes**

Land in Port Blair and feel the rhythm of island life as you're greeted by our local team. After settling into your hotel, begin your journey with a breezy coastal drive to Corbyn's Cove, perfect for dipping your toes in warm waters or grabbing early beach photos. As dusk falls, witness the moving Light & Sound Show at Cellular Jail, where tales of colonial resistance echo through its imposing walls.

### **Day 2 - Whispers of the Wild**

Leave behind city comforts and drive deep into the island's heart toward Rangat. Walk the hauntingly beautiful Dhanni Nalah Mangrove Trail, a wooden path through twisted roots, bird calls, and damp earth. Later, visit Morrice Dera Beach, where dramatic lava-formed boulders clash with serene turquoise tides—a natural contrast that stirs every explorer's soul.

### **Day 3 - Mangrove Maze & Stone Secrets**

Journey back to Port Blair via the wild realm of Baratang. Sail through dense, tangled mangrove tunnels before hiking to the awe-inspiring Limestone Caves. These surreal chambers, formed over millennia, shimmer with mineral textures and prehistoric vibes. Return to Port Blair by nightfall—tired, amazed, and changed.

### **Day 4 - Island Dreams & Golden Hours**

Cruise across shimmering waters to Havelock Island, your luxury hideaway. After check-in, head to the famed Radhanagar Beach, where powdery white sands meet emerald waves. Stay until the golden hour for a surreal sunset and enjoy a complimentary professional photoshoot to immortalize the moment.

### **Day 5 - Coral Rush & Salted Air**

Board a speedboat to Elephant Beach, a paradise known for coral gardens and shallow clear waters. Enjoy a guided snorkeling adventure, exploring vibrant marine life beneath the surface. Spend the rest of your day at leisure—sip coconut water, relax in your resort, or take another walk down the coastline.

### **Day 6 - Turquoise Calm & Return Drift**

Wake up to the soft sounds of waves and visit Kalapathar Beach, a quiet, lesser-known beauty with black rocks, blue tides, and golden sands. After soaking in the serenity, cruise back to Port Blair. Spend your final evening indulging in some shopping or simply winding down by the sea.

### **Day 7 - Island Goodbye & Sunrise Feels**

After breakfast, check out from your hotel and transfer to the airport. Carry back not just souvenirs but a gallery full of memories—sunsets, smiles, seascapes, and the thrill of discovering places most people only dream about.
