

Photography Special: Golden Hour Triangle

📅 5 Nights / 6 Days

Main Image

Overview

Tailored for photography enthusiasts and content creators, this **6-day Golden Triangle tour** is designed to help you capture India's most iconic landmarks at their most magical moments—during sunrise and sunset.

Begin your journey in **Delhi**, where colonial architecture, bustling bazaars, and ancient monuments offer rich urban textures and vibrant street scenes. With guided access to spots like **India Gate**, **Humayun's Tomb**, and **Qutub Minar** during ideal lighting hours, you'll get stunning frame-worthy shots with minimal crowds.

Next, move on to **Agra**, where you'll witness the **Taj Mahal at sunset**—a dream moment for any visual storyteller. Early morning entry ensures a peaceful golden hour experience when the marble monument glows with the first rays of sunlight.

Continue to **Jaipur**, the Pink City, where you'll photograph the famous **Patrika Gate** at dawn, stroll through the vibrant **local markets**, and capture the majestic **Amber Fort** bathed in soft evening light.

With well-timed access to each location, smooth transfers, and cozy accommodations included, this trip ensures you focus on your craft while we handle the logistics. Whether you shoot with a DSLR, drone, or smartphone, every stop is curated to inspire and elevate your portfolio.
